Carlos,

Please see the response to the Texans Together letter with Anne's edits. If your agreeable we can forward to Stephanie to final.

Thanks,

My (new) revised draft is attached. You certainly don't need to accept all my changes, but I would not say that 104/122 provide the opportunity for PRPs to do the RI/FS, as that implies the PRPs have some kind of right to it.

Thanks, Anne
